the sacred home in renaissance italy explores the rich devotional life of the italian household between 1450 and 1600 rejecting the enduring stereotype of the renaissance as a secular age this interdisciplinary study reveals the home to have been an important site of spiritual revitalization books buildings objects spaces images and archival sources are scrutinized to cast new light on the many ways in which religion infused daily life within the household acts of devotion from routine prayers to extraordinary religious experiences such as miracles and visions frequently took place at home amid the joys and trials of domestic life from childbirth and marriage to sickness and death breaking free from the usual focus on venice florence and rome the sacred home investigates practices of piety across the italian peninsula with particular attention paid to the city of naples the marche and the venetian mainland it also looks beyond the elite to consider

artisanal and lower status households and reveals gender and age as factors that powerfully conditioned religious experience recovering a host of lost voices and compelling narratives at the intersection between the divine and the everyday the sacred home offers unprecedented glimpses through the keyhole into the spiritual lives of renaissance italians

central america is as different as the readers of this book the region is an absolute paradox it may be all that you imagine but surprisingly it is much more than one could ever embrace it is more than the long and winding territory that connects north and south america to the typical north american the area conjures up vivid and varied images on the geographical side a mountainous area with volcanoes colonial cities jungles and of course bananas and coffee on the political front turmoil dictatorships and instability on the economic front rich versus poor agriculture based economies and sweatshops where united states garments are manufactured and exported it is a complex and fascinating place home to 41 million people with a total gross domestic product of about 88 billion how do you begin to categorize such a dramatic and extraordinary for starters this region geographically encompasses seven countries belize costa rica el salvador guatemala honduras nicaragua and panama these countries have many mysterious cities and fascinating destinations that you could only hope to place them on the map in your mind
